31 Years Anniversary of the Kite Festival in Emmen 2019, August 16th to 18th, 2019

Hello Kitefriends

We would like to invite you to the festive 30th anniversary of our Kitefestival , naturally to be held again at our multifunctional location on the borders of the 'Grote Rietplas' in Emmen.

This year with the fitting theme ***“31 years art- and flightwork”***

The committee of S-V-E, who has taken care of this wonderful, eye-catching event for all these years, with the help of volunteers and kite-flyers from all over the world, would be more than honored to celebrate this special event with you!

Including:

- Our well known happenings, like the flying of kites, of course. This includes the flying of the well lit 'Night kites'.
- Well lit and wind-sensitive object on the waterside.
- Artistic creations, in Kite-form and other objects.
- How could we possibly leave out: the participants Parade!
- With costumed kite-flyers
- Other happenings with music, light, fire and more!
- Spectacular auction, 100% for charity.
- A wheel of fortune and other games, also for charity.
- Exhibition and screening of the movie '31 years kite-flying in Emmen'.

We hope to give all this an even more fascinating and festive impulse during this 31 years Anniversary.

Naturally, this anniversary-weekend will know a lot of Kite-flying, both during the day and the night.

(We're still looking for people who would like to help out with the night-flying shows on our Miracle-night)

Catering : Let's mention our own exquisite catering. This year they will, once again, strive to make it something special. With great tasting, healthy food, for not too big a price. With a very special Anniversary-buffet.

We will also, as usual, be selling snacks and Ice-cream, and this year will again see our usual ham or cheese sandwiches.

So people, you're all very heartily welcomed. Signing in is possible from now on.

Signing in: Please make sure you do this as timely as possible, using the form.

We prefer mail, but also possible via e-mail, in which case you can send it to info@s-v-e.nl

Also check www.s-v-e.nl for the participation form in **Dutch, German or English.**

With kind greetings, we hope to welcome you all to our 31th kite-festival at the 'Grote Rietplas' in Emmen .
